Sir:

In response to the Restriction Requirement dated March 5, 2008, Applicant hereby elects Group I, claims 1-10, drawn to "an elastin molded article comprising a fiber". This election is made without traverse.

Further, Applicant notes that a Preliminary Amendment is being submitted concurrently herewith amending non-elected method claim 11 so that it includes a recitation referring to elected product claim 1. In view of the Preliminary Amendment, Applicant respectfully requests rejoinder of the non-elected method claims when allowable subject matter is found in elected product claim 1, pursuant to the provisional of MPEP 821.04(b).
